

NCAA RECRUITING UPDATE

The Farmington Athletic Department and the FPS High School Counseling Centers and counselors have put together the following information to assist the parents and student-athletes in formulating your plan to meet the NCAA Core Class requirements. This information can be used as a guide as you prepare for meeting with the high school counselor dealing with the NCAA information. The information contains:

- A. A sample NCAA Worksheet
- B. A blank NCAA Worksheet
- C. A list of NCAA Approved Classes for each high school. At this time this list is being developed and should be on this sight by November 2, 2007. In the meantime you can go to <http://www.ncaaclearinghouse.net> for the approved classes for each high school. The high school code numbers are: FHS-231405, NF-231406, HHS-213407.

If you have any other questions you can contact your NCAA high school counselor:
