

Dear Parent,

As you may know, all juniors in the state will be required to take the ACT as part of the Michigan Merit Exam on March 6, 2012. The scores from the March administration can be used for college admissions purposes if a student so desires! To that end, Harrison High School's counselors and administration have arranged to have The Princeton Review, a leader in standardized test preparation, offer our services at Harrison High School for juniors who will be taking the ACT on March 6, 2012. To enroll in the Princeton Review Free ACT Practice Test, send an email to [vicki.palmer@farmington.k12.mi.us](mailto:vicki.palmer@farmington.k12.mi.us) or sign up in Ms. Palmer's office in the media center by October 27<sup>th</sup>.

All juniors who **sign up** will have the opportunity to participate in:

- Free Practice ACT test on Saturday, October 29<sup>th</sup>, 2011 at Harrison High School
- Free Scores Back and Strategy Session on November 10<sup>th</sup>, 2011 at Harrison High School

The **FREE Practice ACT test** is a great opportunity for students to find out where their scores will take them and practice under a simulated testing environment. Shortly after the Free Practice ACT test, you and your student will be able to attend the **Scores Back and Strategy Session** to review your student's three page, detailed score report indicating their composite score, strengths, and areas of opportunity. Both parents and students will leave with valuable strategies to help increase their score!

In addition to the free services offered, The Princeton Review will also be offering an **ACT Prep Course** for those students who desire additional test preparation. The course, available exclusively to Harrison High School's juniors, will be offered at Harrison High School for \$599 (a 46% discount off our full-course tuition).

The Princeton Review's **ACT Prep Course** consists of:

- **24 hours** of live course instruction
- **3 practice tests** followed by detailed score reports analyzing strengths and weaknesses
- Award-winning **Online Student Center**
- All books and materials
- The instructor for this course will have scored in the **top 5%** on the ACT
