

## **District announces family cap for athletic pay-to-participate fees**

*Farmington, Michigan* — The District's athletic director, Linda Fox, shared with the Board of Education a modification to the Athletic Fee Policy regarding the high school cap of \$600 and a middle school cap of \$300. In addition to these established caps, a family cap has been established so that no family will have to pay more than \$600 to participate in athletics.

"Some families that are struggling to pay the athletic fee are not eligible for free or reduced lunch and are consequently offered no financial assistance," stated Fox. "We need to do this to help our families."

Families that have exceeded the cap will be contacted for a refund.
