In this LOL presentation, John Bytheway talks about following lessons:

- We can't change the trail but we can make hike a lot easier, if we change what's in our pack.
- There is life after High School. Your high school experience is not the forecast of your life.
- It is better to be respected than it is to be popular.
- Important Safety Tips: Do not do things that kill you.
- Recognize the lies: Alcohol free, Drug free & Tobacco free.
- Work on your talents.
- READ & WRITE are important tools.
- Your family is of prime importance.
