

SPOTLIGHT ON OUR COMMUNITY PARTNERS AND HELPING HANDS!

As our relationships with our community sponsors and supporters continue to develop and expand, we will continue to update our acknowledgements on this page.

Many hearts and hands continue to come together to support our school programs either in time or with financial resources. You continue to celebrate and support the success of our S.P.O.T. program, our very own Longacre-created positive behavior support program, now in its 5th year. Our student leadership initiative that began 4 years ago with a chance reading of a book entitled THE LEADER IN ME and then resulted in a visit to A.B.Combs Elementary in North Carolina, also continues to grow. As we progress along this path, we want to value all who have been so supportive of our efforts to support our kids.

To all those who have contributed in any way, whether your name is listed here or not, you have our grateful appreciation! Some of those from our community who have supported us are listed below:

Longacre PTA for always supporting our school's efforts to bring the best to our students. We thank you for your trust in all we bring forward.

Dr. Thomas D. Jusino, orthodontist, located at 27600 Middlebelt Road, Farmington Hills, for funding 7 Habits Planners/Assignment Books for each of our 2nd through 4th grade students to help them live the habits in their daily school lives.

Lifetouch Photography for supporting the value of our Leadership Lab and Habits of Leadership with SPOTACULAR signage, for helping to provide funding for the Leadership t-shirts given to our 4th graders after completing their fall Leadership Field Trip, and helping to support our staff during 7 Habits/LEADER IN ME training.

LOC Credit Union for providing funding for the Leadership t-shirts given to our 4th graders after completing their fall Leadership Field Trip. We also appreciate your partnership as you continue to bring leadership opportunities to our 4th graders as they lead our Student-Run Credit Union.
