

## **School of Choice Motion for March 15, 2016 Board Meeting**

**School of Choice:** I move the Board of Education authorize the administration to enter into Section 105 School of Choice for limited seats, 20 total seats in Kindergarten and First Grade for the 201617 school year.

I move the Board of Education authorize the administration to enter into Section 105 School of Choice to open 50 seats in the International Baccalaureate program, with an initial entry point of 9th grade provided non-IB certificate or diploma students are still given the opportunity to take IB courses where space is available. Students entering the International Baccalaureate program will be expected to maintain good standing within the program, as would all resident students in the program.
