

STUDENT ACTIVITIES

Student activities are essential to the successful academic and social growth of our students. We have documented that the more involved a student is in after school activities, the more successful they are both academically and socially. Please encourage your child to gather information on the following activities and decide what they would like to participate in. There is something for everyone.

Bot-Battle	National Junior Honor Society
Battle of the Books	Student Council
Dances	Theater/Musicals
Orchestra	WEB Leaders
Jazz Band	Yearbook

Please be aware that student activities are a privilege and a student may be denied this privilege based on academic or behavioral issues.

ATHLETICS

COMSAC ATHLETIC LEAGUE

Farmington's middle schools are members of an athletic league in which we compete with schools from all around the Metro Detroit area. We offer football, cross-country, track, basketball (boys and girls), wrestling and volleyball (girls) to all 7th and 8th grade students. Academic eligibility is based on the number of classes the student has passed. A student must pass four of their classes to be eligible. Students will also be considered not eligible if they have a financial obligation (lunch account balance, missing textbook, etc.)

ATHLETIC PARTICIPATION

A middle school student athlete will pay a one time per year participation fee that would entitle the student to participate in any sport without an additional fee. **Special Provisions will be made for students whose families may be financially unable to afford the fee.** The Middle School fee is \$150. **As we are unable to accept cash, please use the online PaySchools available through the district website.**

In order for your child to participate in athletics, he/she must turn in the following items to their coach:

- Current Physical form (Signed by the Physician on the front and the parent on the back).
- Athletic Activity fee contract – available on FPS website
- \$150 online PaySchools payment on FPS website
- Blanket Field Trip Permission and Medical Consent Form

ATHLETIC CONTESTS

The times and the length of the athletic contests vary from sport to sport. Most begin between 3:30 and 4:30 PM and generally last approximately 2 hours. Practices are held at Power Middle School unless notified by school administration.
