

AP Literature Students: 2024-2025

There is no graded summer work this year. However, I encourage, and expect reading to be part of your summer. It doesn't matter what you read, just read anything you LOVE!!

We'll begin the semester with Greek Mythology, so I encourage you to research basic mythological history. Feel free to use the links below, to get started.

The text we will use is *Mythology* by Edith Hamilton. You are not required to purchase it, but if you do, this is the version I have for class copies: ISBN 0-316-34151-7

Feel free to watch any movies that include classic or modern versions of mythology. My personal favorite is *Clash of the Titans* (1981); the 2010 version is more modern.. There is also *The Immortals* (2011), *Percy Jackson* movies, Disney's *Hercules*, *Troy*.

Rest and recharge this summer. I look forward to meeting you in the Fall, as we deep-dive into all kinds of literature!

Have a great summer!
