

AGES AND STAGES QUESTIONNAIRE

Great Start Collaborative-Oakland and Early On Oakland, along with Farmington Early Childhood Centers, are committed to ensuring that all children under the age of 5 receive routine developmental screenings.

Because your child's first 5 years of life are so important, we want to help you provide the best start for your child. You've been invited to participate in the Ages & Stages Questionnaires, Third Edition (ASQ-3), to help you keep track of your child's development. The questionnaire may be provided every 2-, 4-, or 6-month period. You will be asked to answer questions about some things your child can do. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving, and personal social skills.

If you have any questions, feel free to talk with your child's teacher or contact Kirsten Cicchella, Early Childhood Supervisor, at 248-489-3808, 248-489-3373, or kirsten.cicchella@farmington.k12.mi.us.
