

INTERNATIONAL BACCALAUREATE CAREER-RELATED PROGRAMME
SAMPLE 2-YEAR CAREER-RELATED STUDIES & SCHEDULING WORKSHEET
Farmington Public Schools

It is important to seek the assistance of the IB Career-related Programme Coordinator and/or your Counselor when scheduling your courses. The tables below are examples of a student schedule. Choosing your two-year **Career-related Study** in a related pathway is dependent upon prerequisites taken to determine your entry point for your Junior & Senior years. There are many options to consider to customize your plan. **You must select a combination of four (4) semester courses in your desired pathway (i.e. Business, Marketing, Health Science, Automotive Technology, Computer Science, etc.) AND any two (2) DP courses. One DP course must span two years. Taking an additional DP Language course may count as the Language Development core but the language development portfolio is required.**
