Honor Community Health Students and Families HELPLINE

The temporary closure of schools and businesses has left many disconnected from typical supports and services. During this time, Honor Community Health aims to be a continued resource to all students, and families across Oakland County, by offering Primary Care, Behavioral Health Counseling, and Referral to Community Resources via phone and telehealth. The helpline is staffed by licensed Behavioral Health Clinicians and Care Managers who are well trained and have extensive experience providing services and support to children, adolescents, and families.

Please call our helpline today for more information and to request services.

Please Call (248) 897-0722

We are here to help!

Helpline Services via phone and telehealth:

- Primary Care
