

2021/2022

Mask Requirements

The Center for Disease Control (CDC), the Michigan Department of Health and Human Services (MDHHS), the Oakland County Health Department (OCHD), and Farmington Public Schools (FPS) are all strongly recommending universal masking while indoors for all staff and students, regardless of vaccination status. Beginning Monday, August 30th, (the first day of school), FPS will be following the Oakland County Level of Community Transmission to determine the extent to which masks will be required inside our school buildings:

Blue (Low) - No masks required

**Yellow (Moderate) - Masks strongly recommended,
but not required**

Orange (Substantial) - Masks required

Red (High) - Masks required
