

NFHS Class of 2021 Graduation

Sunday • June 13, 2021

Beginning at 1 p.m. (Rain date Wed., June 16 • 6 p.m.)
Gates will open at 12 p.m.

Raiders...the time has come for your special day where you will be recognized as graduating from Farmington Public Schools! While the day will not be what you had expected, we hope to make it memorable for you and your family. Students are allowed up to four guests which includes family members. The student parking lot will be by permit only, graduates will each receive one permit.

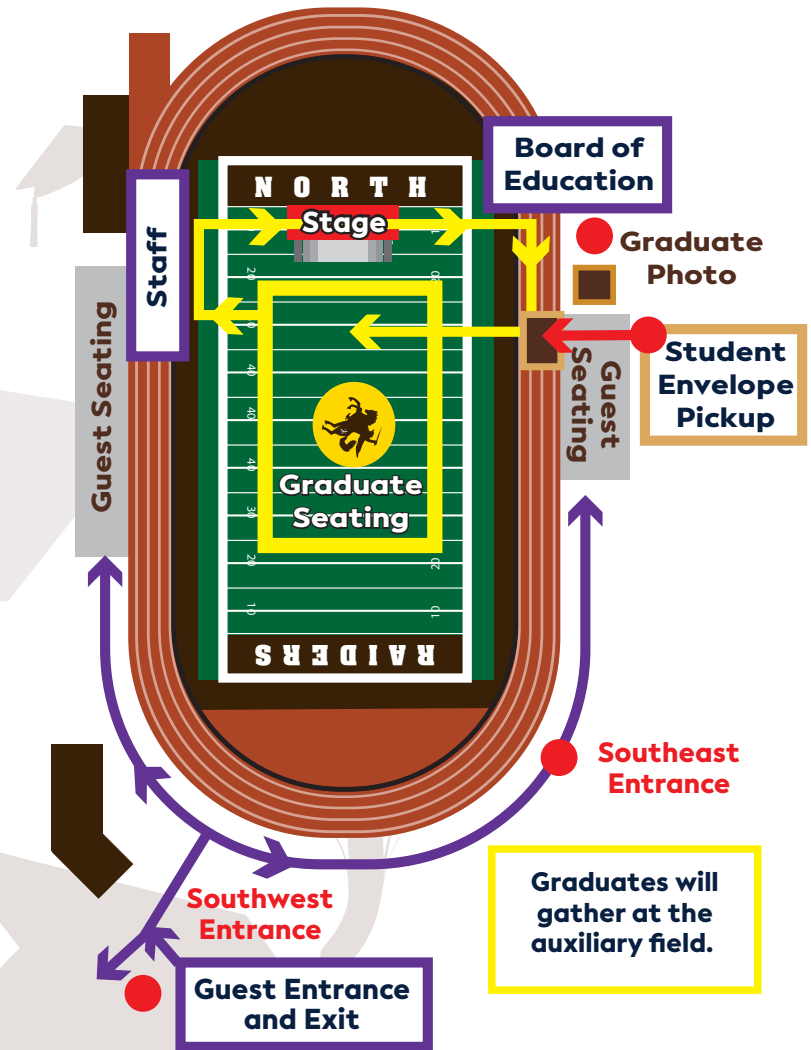

Graduation Format

1. **Graduates are asked to arrive wearing their caps and gowns.**
2. Graduates and their guests will park in the NFHS Student Lot.
3. Guests should proceed to the sidewalk near the stadium's main entrance, until it is time to enter the stadium. Please adhere to social distancing guidelines.
4. Graduates go to the auxiliary field on the east side of the tennis courts.
5. Graduates will be lined up on their assigned yard lines and staff will provide them a 3" x 5" card to fill out with the phonetic spelling of their name.
6. **Processional** - Graduates will enter from the southeast entrance and continue to the student seating section to sit in the row on their assigned yard line. One row at a time graduates will be asked to stand and proceed toward the podium and stage. Once the graduate's name is read, they will pass members of the teaching staff before reaching the stage where they will walk across to accept their diploma and be congratulated by the principal.
7. The graduate will proceed off stage past the members of the school board to the area for a photo and then return to their seat.
8. **Recessional** - Graduates exit from the southeast exit and walk between the tennis courts and auxiliary field to the student lot. Once graduates have exited the stadium, families will exit from the southwest exit, proceeding down Raider Ralph Way to the student lot, and meet their graduate.

If students are unable to attend, they can pick up their diplomas at the school after June 13, 2021.

Photo Opportunity

Graduates, you will have the opportunity to take pictures with 2021 photo frames at the high school entrance. The frame will be available for a limited time before graduation and after until approximately 9 p.m.

Complete Graduation speeches will be taped and released on Saturday, June 12, so graduates and their families can watch them together.

Graduation will be livestreamed and taped by the District's own TV-10! Details on how to livestream the event will be shared closer to the event.
