# Farmington Central High School

Farmington Central High School serves approximately 100 students ages 16-19 in an alternative setting while meeting the benchmarks of Farmington Public Schools.

## Why go here?

### PLUS

#### (Positive, Learning, Understanding, & Support)

PLUS is a credit-based mentoring class that provides students with one-on-one academic and emotional support throughout their high school career. During PLUS, students have an opportunity to explore careers and colleges, set academic goals, participate in team-building activities, and complete SAT preparation.

### Online Courses

FCHS offers classes within a traditional classroom and online courses. Students who are taking these courses have the ability to work on the curriculum with teachers in real-time. This allows students to work more efficiently and effectively with support.

### College and Career Explorations

Students are provided with opportunities to explore community colleges, universities, military branches, and trade schools to jump-start their futures. Throughout the year, counselors provide students with on-site visits, as well as campus tours. Students are able to discover their aptitudes and interests in a variety of careers through assessment tools and career fairs.

# Testimonial

Alexcia Stoner - FCHS Graduate

At first, I was worried about starting a new school. I worried that I would not fit in, that I would have problems with the students, and that I would be judged for the subjects I struggled with. Once I got to Central, it was the opposite of what I thought it would be.

Central helped me in ways other schools failed. It recognized my strengths and made them stronger; it determined where I struggled and was able to help me improve. Central allowed me to grow as a person mentally and academically. I came to Central, I found my true potential, and I became a better version of myself.

# Questions and Answers

1. As a parent, how can I know how my child is progressing?

Each student is assigned a PLUS teacher that supports you and your child while you are here.

2. Can students still participate in prom and other activities/sports?

Students may return to their home FPS high school to play sports, take part in after-school activities, and go to the prom.

3. Is transportation provided?

Shuttle stops are available for FPS residents.

4. Do you provide a graduation experience?

Farmington Central celebrates seniors with an honors luncheon and a traditional graduation ceremony.

5. Can students go directly to a four-year university from FCHS?

Successfully completing FCHS's graduation requirements, in combination with the required SAT/ACT test scores, will grant university access.

6. Can students attend Oakland Schools Technical Center (OSTC)?

Yes. FCHS students are eligible for the programs that OSTC offers.
