

Winter Bus Information

As winter approaches, parents and students are reminded that weather conditions may affect the bus time schedule in the morning or afternoon. However, please be assured that the bus will always come. Never will a stop be cancelled because the bus is late.

It is also important that students stand a safe distance from the bus stop and not up close to the road in order to avoid slipping or falling into the path of the approaching bus or other vehicles.

We also require students to be at their designated bus stop 10 minutes before the scheduled arrival of the bus. This is because the bus could arrive up to 10 minutes early on some days. Students, who are at the stop before the bus arrives and not waiting in cars or running across the street, won't risk falling or worse yet getting hit by a car. We understand that it may be raining some mornings and that winter mornings can be very cold. Please furnish your child with an umbrella and warm clothes so they can safely wait at their bus stop. Parents are very much welcomed and appreciated at bus stops. If you wait in a vehicle, do not block safe passage to the bus. Thank you for your cooperation.
