

## **Power Parent Involvement Policy**

To guarantee student success, a partnership between school and parents is vital. At **Power Upper Elementary School**, we recognize that parents are their child's primary teachers, and their support is critical in our efforts to provide a quality education to the children at **Power Upper Elementary School**.

At **Power Upper Elementary School**, numerous activities are scheduled throughout the school year to educate parents, to encourage their involvement in their child's education, and to promote the development of a relationship between parents and teachers.

**Power Upper Elementary School** faculty and staff take seriously their obligation to involve parents and the community in educating students. The school, along with parents, has established a **Parent Involvement Policy**. This policy assures parents that their feedback will be sought concerning the school's performance and lists specific ways in which parents may be involved. Parent involvement activities are on-going at **Power Upper Elementary School**.

**Power Upper Elementary School** will convene an annual meeting each Fall to which parents of all participating children shall be invited and encouraged to attend, to inform parents of their school's participation in Title I and to explain the requirements of Title I, and the right of the parents to be involved.

Parents are requested to sign and adhere to the School-Parent Compact distributed at the annual meeting. The expectations and responsibilities of all partners are referenced throughout the school year during meetings and/or conversations with parents.

Annual parent surveys will be conducted to receive parent feedback. Communication is provided via student planners, listserv e-mails, school web pages, and the school messenger phone system. PTSA meetings are scheduled monthly throughout the year.
