Before & Afterschool Care

The Y is excited to offer Before and Afterschool Child Care to the students in Farmington Public Schools. Providing quality, flexible and affordable care for children isn't a business for us, it is our mission and a vital part of our commitment to our local community.

At the Y, children participate in activities that reinforce learning, as well as what educators tell us children need most; a chance to run, play, engage with other students, learn, and so much more.
