

North Farmington High School
Yousif-Dickow Family NFHS CASA Scholarship
 2018 Application

In 2012, the Chaldean American Student Association (CASA) was re-introduced to North Farmington by a member of the Yousif-Dickow family. This student saw much potential in CASA and knew the great impact it would have on both NFHS and the Chaldean community. When CASA first started in 2012, there was minimal student participation, and the student was not sure if the club would last after she graduated. After this student graduated from North Farmington she came back to see CASA's progress and was thoroughly impressed by how much CASA grew at North and the lasting impact CASA had on the Chaldean community. This student in turn would like to give back to those who participate in CASA and continue to keep her efforts alive.

The Yousif-Dickow Family North Farmington High School Chaldean American Student Association Scholarship will be offered to all graduating seniors planning to continue their education through college. Applicants must be active members in CASA and must have been a member of the club for a minimum of two academic years. A minimum 3.0 grade point average is required along with an essay explaining student involvement with CASA and how it has impacted their identity in the Chaldean community.
