Farmington Public Schools, together with our community, will engage every student in a quality learning experience, empowering each student to become a thoughtful, contributing citizen in a changing world.

January 2019

Dear Parents and Graduates of the Class of 2019:

As you know, graduation is coming up very soon. We hope the years at Harrison have been a time of personal, social and academic growth for all of our students and that each leaves with a feeling of deep satisfaction and many good memories. The enclosed information should prove helpful as you make your way through the various events planned for this special time. Please call the main office at 248-489-3499 if you need clarification on any aspect. It has been a pleasure working with you during your years at Harrison. Please accept our very best wishes for a happy and successful future.

**SOME WORDS ABOUT CELEBRATIONS AND SAFETY**

This is a season of joy. Parents are proud of their children as they successfully complete one of life's most basic requirements. Teachers are pleased to see the growth in their students during their four years with them and students are filled with the delight of freedom and the anticipation of a wonderful adult life.

Please remind your graduates that there is still important educational business being conducted in the school. Although seniors are understandably exuberant, we hope that you will use your influence to discourage any plans for senior remind your child that while they have indeed earned their right to their diploma, participation in graduation and other pranks. Possession and use of water toys, shaving cream, and other prank items are prohibited on campus. Please special activities is a privilege earned through appropriate behavior.

We want to make sure that this special time is not marred with tragedy. The following information and suggestions are offered in the hope that they will keep all of our Harrison seniors safe. Please share them with your graduate.

- It is against the law for minors under the age of 21 to possess or consume alcoholic beverages.
- Adults who operate a motor vehicle are considered driving under the influence of alcohol if their blood alcohol content is .10%. For minors under 21, the blood alcohol level is .02 - .07%, considerably less.
- Open intoxicants in a motor vehicle are forbidden by law. If your teenager is drinking in a vehicle, even if someone else is the driver, he or she can be charged with a violation.
- Hotel parties encourage an atmosphere of unprotected, casual sex and use of alcohol and drugs. Don't be afraid to set restrictions for your teenager, even though adulthood is close. Consider hosting a post-prom breakfast or planning a post-prom sports party.
- Know your own liability. If you serve alcohol to adults at a graduation party, take precautions to make sure that minors don't have access to the bar area. If alcohol is served to minors at a party, a parent or a teenager 17 and older can be charged if it is shown that the adult failed to take reasonable steps to prevent the possession of consumption of the alcoholic liquor or controlled substance.

With a few precautions and good judgment, we believe this can be a happy and safe time for all –

**CONGRATULATIONS Class of 2019!**

Educationally,

James Anderson  
Principal

### GRADUATION INFORMATION

#### Announcements

Announcements will be delivered at a predetermined date in April. Notification of this date will be sent home by Herff Jones Corporation. We will also give reminders through school announcements. Announcement delivery pick-up will take place in the cafeteria during lunch. Students who do not obtain their order at this time will incur an additional shipping cost of approximately \$15.00 to receive their orders. We will no longer store or accept payments for announcements in the main office after this scheduled pick-up date.

#### Caps & Gowns

Caps and gowns will be distributed at the picnic held on the football field following the senior rehearsal. Caps and gowns may be picked up in the front office after this date provided all fines have been paid. Orders were taken last fall for caps, gowns and announcements. If you have not ordered your child's cap and gown yet, please contact Herff Jones, Graduate Service Detroit at 734-725-5743 or you can order online at [highschool.herffjones.com](http://highschool.herffjones.com)

#### Mandatory Graduation Rehearsal, Senior Farewell & Picnic

On Tuesday, June 4, 2019, starting promptly at 8 AM in the Harrison High School Auditorium, we have scheduled our mandatory graduation rehearsal. Following graduation rehearsal in the auditorium, seniors, along with the siblings and parents, will be able to enjoy the senior slideshow, senior farewell and mock elections. Immediately following Senior Farewell, approximately at 10:30 AM, seniors can enjoy a light lunch in the concession area by Buller Field.

#### Graduation Day, Sunday, 12:00 PM, June 9, 2019

##### USA Hockey Arena • 14900 Beck Road • Plymouth Township, Michigan

Students should arrive at the arena no later than 11:00 AM. It will be most convenient for them to be dropped off at the side entrance. Staff members will assist them as they line up in the corridor areas on the first floor. This is Harrison's eighteenth graduation from the Compuware Arena. There is ample seating, **so tickets are not required.**

A large parking area is available for families on the west side of the building. Parents and family members should enter from the north side of the building, which is wheelchair accessible. Handicapped seating for guests will be provided and is located just inside the main entrance of the arena. Graduates should enter the building from the northeast corner, at the rink level. A map to Compuware Arena is enclosed along with parking information.

#### Cap & Gown Protocol

Graduating seniors should dress appropriately for the dignity of the occasion. Gentlemen are requested to wear a dress shirt, tie, dress slacks, dress shoes and socks. Ladies are asked to wear a dress or blouse and skirt, nylons and dress shoes. The graduation gown should not be decorated with flowers or jewelry, and the graduation cap should not be decorated in any manner.

Cap and gown protocol requires that the gown be free of wrinkles; gowns are worn closed and zippered. The cap should be placed on the head so the mortar board is level with the long point to the back. It is customary to drape the tassel over the left temple. Students will receive directions to change it to the right side after all the students have received diplomas.

Seniors are advised to leave all personal belongings at home or with relatives. No provisions have been made for safekeeping such articles. Caps and gowns are of the keepsake variety and will be retained by the graduate.

The dignity of commencement can best be observed by refraining from excessive noise making, air guns or whistling for any one student.** Please do not leave your seat to take pictures during the ceremony. Guests are asked to remain seated until all names are announced during the ceremony and during the recessional while the graduates are exiting the arena. A professional photographer will take pictures of each graduate during the ceremony and contact you for a purchase of same.

**After Graduation** Students will proceed out of the arena to the rear student parking area. A tent will be assembled for family gathering and picture taking after the ceremony. ### MEMORY BOARDS

A great Senior All-Night Party tradition is the display of individual senior memory boards. As the students head for the fun and games, they will walk down "memory lane" and view all of the memory boards of their fellow classmates. Each senior parent is asked to put together a memory board to be displayed. The memory board should be on a **standard-sized poster board** – no tri-fold science fair type boards or foam boards – they are too heavy to hang. Boards can be of any color and can be laminated.

Please use your creativity! They are not meant to all be alike. Some boards will be photo collages of the students and their friends. Others will have pictures of the student as a baby through senior year. Some will have only high school photos featuring academics and activities, while another may have family, friends, and pets. Create a memory board that is meaningful to you and your student. All boards will be given back to the students at the end of the party so they can be displayed at graduation parties.

Another option: Costco and Sam's Club offer poster-sized collage photos. You can upload 30 pictures to their site and they will create a memory board for you. A great deal for under \$10.00!
