## Equip Me:

**A focus on equipping middle and high school students with the tools and knowledge necessary to navigate the world**

Get ready for a thrilling and inspiring experience at the upcoming IDEA Student Diversity Conference! This highly anticipated event will be packed with interactive breakout sessions, student dialogue sessions with peers from around the district, and plenty of entertainment and performances that will keep you engaged and exhilarated. Plus, you won't want to miss out on the delicious cuisine from "around the world" at lunchtime.

Whether you're looking to gain new insights, connect with like-minded individuals, or simply continue your development path, this conference promises to deliver all that and more.

So join us for a day filled with discovery, growth, and celebration, as we come together to honor our differences and build a more inclusive Farmington. Don't miss out on this unforgettable experience!

**Lunch will be provided:** Enjoy free lunch from several food trucks representing food from "Around the World."
