Why work in Farmington?

"From day one, even up to now, each building you go to, they treat you like family. They look out for you. It's more than just a job. You feel like you're going to be with family." Charrell D.

"My first day didn't feel like a first day. My colleagues and everyone around me helped me to adapt and I never felt out of place – everyone including the principal to custodian." DaQuane O.
