This free online workshop will help you better understand the parts of the Individualized Education Program (IEP) and how parents can prepare for the meeting.

- The present level of academic achievement and functional performance (PLAAFP) statement
- Writing measurable goals and objectives
- Support services
- Plan implementation

Our goal is to help you understand how the IEP components work together. There will also be time to ask questions.

Who should attend? Families with a child or young adult with a disability or learning challenge.
